LOCALIZATIONN

Competition centre, Secretary and download sportident will be located in Puerto Lumbreras Sport Centre..

UBICATION

DEVELOPMENT

There will be two stars from Competition centre.

First will take place at 10:00. (Official categories).

The second will take place at 10:30 (Categories F/M 15, E-bikes,

La segunda a las 10:30h (Categorías F/M 15 , E-bikes , Initiation)

Starts will be mass start (everybody will start at the same time. 10 minutes before the start a rolled map will be delivered that will not open until the timer starts.

Race is based on strategy, the route must be chosen according to the technical and physical characteristics of each one.

The format is Rogaining (All the controls are optatives)

Controls have a value of **one point, except 200 (Value 4 points)**. In addition, a loop can be made (marked on the map) that if done without adding any control in the middle, it is rewarded with 20 extra points.

There is an area indicated on the map where the controls will not be active until the second departure (10:30).

Control 100 shall be compulsory before the finishing line and shall be placed half an hour after the start of the second start.

CLASSIFICATION

The ranking shall be established taking into account:

Points obtained = SUM OF CONTROLS VISITES – PENALTIES

Time of ARRIVAL

Penalty

From the 1st second to the 5th second minute. 2 points are lost per minute.

From the 5th min to the 10 minute. 3 points are lost per minute.

From the 10th to the 20th minute minute 4 points are lost per minute.

A partir del minuto 20 ALL points are lost.

In case of a tie: the rider or team with the shortest time is ranking first.

If a tie prevails: the rider or team that has visited the most checkpoints.

REGULATION

Competitors are forbidden to leave the roads, and chosen caught driving off the roads will be disqualified.

The use of trails and sections painted with an Orange line on the map is permitted.

As a general rule, cyclist should ride on their right (to avoid ACCIDENTS with other competitors and possible road users.

Compulsory equipment

Approved bicycle helmet (buckled while riding)

Repair equipment as it deems appropriate,

Water necessary refreshment (Duration 3h/2h). There will be refreshments at the finish line.

Mobile phone with charged (used only in case of emergency).

Sportident clamp (best SIAC model)

Registration in the event means the acceptance of the rules set out in this section.

CATEGORIES

The categories are set out in the **MTBO South East League rules**.

It is useful to review the updated regulations.

The score in the ranking all members must have FEDO licence for the current season.

TEAMS (2) No age limit

CATEGORIES PROMOTION Maximum of 2 hours

E-Bikes

For riders who wish to participate in the race with their electric bicycles. Non-competitive and scores for the MTBO Southeast Circuit.

Initation

For riders from 15 years old who have no experience in this sport. This is a non-competitive category and does not count towards the MTBO Southeast Circuit. Maximum of 2 hours.

SYSTEM

The system will be used Sportident.

Participants using their own electronic clamp must indicate this on the registration form.

Those participants who do not have such a clamp must rent it for a fee of e€, (committing themselves to its safekeeping and return it at the end of the course).

The card rental will be requested and paid for at the time of registration, through the platform.

The deposit (60 € in cash) will be requested when collecting the device and will be returned to the athlete at the end of the race. Provided that the runner does not damage or lose the card.

Models from SI), which allow a marking of more than 50 bites, may be used.

It is recommended to use SIAC Air, which allows marking without stopping.

It is the rider's responsibility to ensure that the marking has been done correctly. The rider should check that the clamp Sportident has beeped and / or turned on the light. If in doubt it is better to use the traditional marking.
